Simple HTML to PDF Test

This is a simple test to verify the HTML to PDF conversion works correctly.

Features to Test:

- Basic text rendering
- Headings and formatting
- Lists (ordered and unordered)
- Background colors and styling

Highlighted section: This section has a yellow background that should be preserved in the PDF.

Sample Table

Item	Description	Status
Test 1	Basic rendering	✓ Pass
Test 2	Styling support	✓ Pass
